

# 2023 A La Carte Firewood Delivery

Tamarack Municipal Association (TMA) is proud to offer wood delivery services for our valued homeowners!

We are pleased to offer seasoned lodgepole pine firewood split, delivered and stacked in the preferred location at your home. Lodgepole pine is considered by many to be one of the best pines and softwoods for firewood. It puts out a good amount of heat (22.3 million BTU's per cord) and quickly brings fireplaces to optimal operating temperatures. It's the wood of choice for those who enjoy the majestic warmth from their indoor or outdoor fireplace.

If you would like to take advantage of this service, please complete this wood delivery enrollment form and return it along with your payment. A self-addressed envelope has been included for your convenience. Once the completed form and payment is received, we will coordinate with you on timing and a location to stack your firewood. **Please send your enrollment form and payment on or before May 31, 2023. Sign up soon to make sure you are all set for another cozy winter at Tamarack Resort!**

Please include your Tamarack Physical Property Address along with the word "Firewood" in the memo line on your check.
